**Chair of Trustees: Expression of Interest**

## About Ministry of Stories

---

**Ministry of Stories** champions the writer in every child.

Co-founded by author Nick Hornby in 2010, we help young people discover their confidence, imagination and potential through the power of their writing. We develop self-respect and communication skills through writing programmes and mentoring for children in our community, working in schools, and at our dedicated writing centre in Hackney. We empower young people to write brighter futures for themselves through the power of their ideas, creativity and imagination.

You'll find us hidden behind our fantastical shop [Hoxton Street Monster Supplies](#), with all proceeds going back to support our work with young people.

### Our Values:

**IMAGINATION** - we wake up imaginations and revel in mischief and playfulness, bringing a bold creative ambition to our work.

**BELONGING** - we create a powerful sense of belonging, working together to achieve something special.

**OPTIMISM** - we focus on people's strengths, and encourage everyone to use theirs to build a better society.

### Our Programmes:

- Free weekly **Community Writing Labs** and holiday programmes for children and young people, hosted at our writing centre in Hoxton
- A **Schools Programme** delivering creative writing workshops, projects and training that support school's needs
- **National Support**, working with cultural and education organisations and individuals around the country to share the Ministry of Stories approach
